### Band Aims to Retain Crown

No organization at ECR has a more formidable challenge, perhaps, than the El Camino band. How does an organization which achieved highest honors in Los Angeles last year pursue New Horizons?

The Conquistadores, both Band and Drill Team in competition, were quick to respond by capturing Sweepstakes honors at the 3rd Annual California State University Northridge Invitational in October. Competing against 10 schools, the Conquistadores copped first in High Music, in March and Maneuvers, and Best Drill Team.

Spirit is essential to success.

### Drill Team Aims to Retain Title

Cadence becomes second-nature.

The ECR Superintendent's Champion Banner . . . tops.

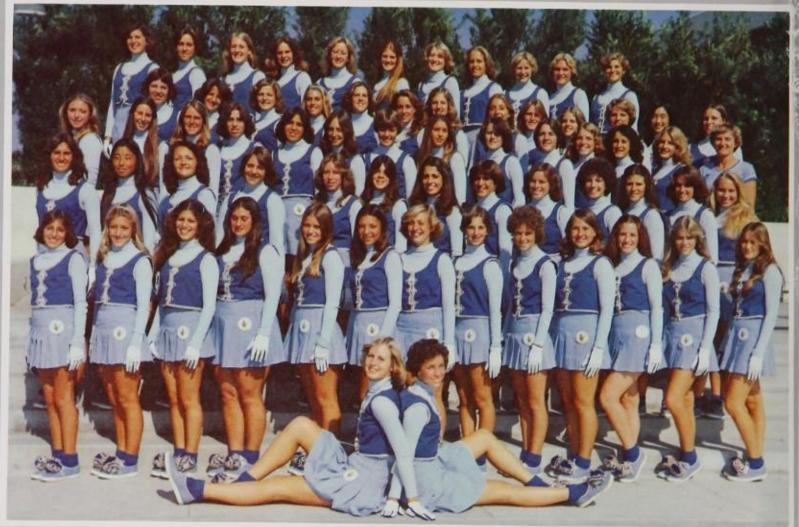

The Drill Team's formations are known throughout the city, each one an original experience.

Last year's Drill Team, first in city competition, presented a tough challenge for the 1977 crew. And what were its aims?

''The Drill Team for 1976-1977,'' commented Mrs. Barbara Cullin, advisor, ''has the greatest attitude I have seen in a group in many years. One of our many goals for the year,'' she continued, ''is to work with the Band as a core, not competing against the Band as has happened at other schools. I am looking forward to the most fantastic year ever.''

Results in competition, as reported with the ECR Band, bear out Mrs. Cullin's appraisal.

For the past two years the Sports Arena was filled with an over flowing crowd of more than 12,000 as the finalists in the championship event presented their best segments of the halftime shows staged during the football season.

The Conquistadors won the event last year. (See Supplement for 1977 Competition.)

In addition to boasting a superior marching Band, ECR rightfully enjoys like plaudits with its 30-member Orchestra and 18-member Jazz Band, both under the direction of Mr. Karl Raschkes.

For the past three years, the orchestra has received unanimous superior ratings at music festivals in the Los Angeles area. "Although small numerically," commented Mr. Raschkes, "it is high qualitatively."

Catering to the jazz oriented listeners, the ECR Jazz Band brings ''swing'' to the campus. The group distinguished itself a couple of years ago when it won a first place recognition at the Moorpark College Jazz Band Competition.

Whatever the event, ECR makes it a practice to publicize it with an enormous poster, which hangs in the corridor. The football team returning for the second half breaks through a hugh banner, depicting the crushing of the foe. These posters are, in part, what Art Production produces, exemplifying the depth of students' creativity.

The students of Photography, too, have an opportunity to display their artistry. The annual Photography Show at ECR has attracted much attention over the years.

Camerata consists of 16 talented students, mainly seniors, who perform at school functions, hospitals, rest homes, and occasionally restaurants. It is highly selective; it choreographs its own numbers.

There are four vocal parts - sopranos, altos, tenors, and basses. Diane Taylor, Laurie Meek, Megan Whalen, and Judy Seif are the sopranos. Athena Ashmore, Carmel Purdum, Susan Woodfield, and Debbie Fraker; altos. Scott Hoffman, Tony Frankel, Ken Myers, and Scott Torrence; tenors. Scott Torrence replaced Anton Ehrhardt. Steve Steinberg, Joe Pacheco, Alan Freidman, and Russ Griswald; basses. Together with the pianist, Cory Bell, and the bass, Diane Adams, the Camerata has been very successful.

The annual school performances that are put on by Camerata, along with Girls' Glee and Choir, are the Fall Vocal Festival, the Holiday concert, and the Spring Pops concert.

Under the direction of Mr. George Greb, Camerata, Girls' Glee, and Choir perform regularly.

The Girls' Glee, or more formally called the Las Cantantes, consists of three vocal parts; soprano, 2nd soprano, and alto. Students must spend one semester in Girls' Glee before entering choir.

The Choir is the largest vocal group at El Camino, of both boys and girls. Six vocal parts of soprano, 2nd soprano, alto, tenor, baritone, and bass make up the group. For the first in ECR history, the choir will compete in the Southern California Vocal Festival. The choir has also been invited to perform in a

# The Play's the Thing

The Play not only remains one of ECR's most attended activities but also is a drawing card for future thespians.

Play Production launches a new season with some very demanding plays. At this writing, "To the Chicago Abyss" is in rehearsal. The thespians also plan to do fables and tales by Grimms and Aesop.

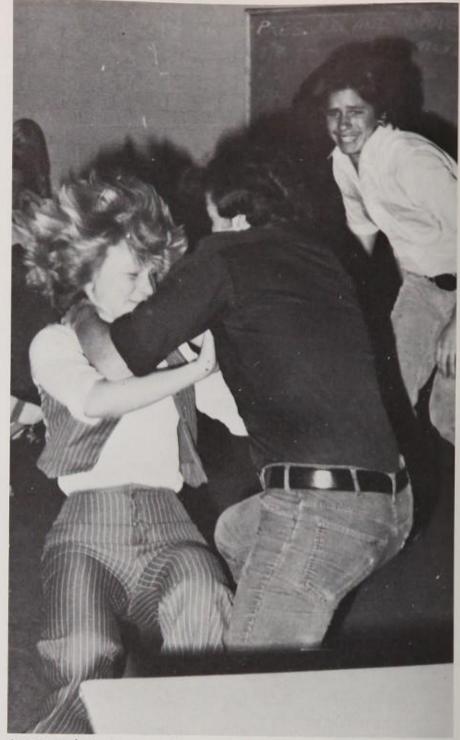

Many of last year's veterans return to the stage, a fact which promises similar success to that of last year's hit "My Fair Lady."

Mrs. Fischli is very optimistic on the success of her drama students. "I think we are going to have a terrific year; we have many talented and hardworking students," she stated.

# Trend Observed in Language Clubs

Language clubs have been around for a long time, but for some reason, students seem to be showing greater interest in a foreign language beyond the classroom. German and French enjoyed clubs in the past; the French Club enrollment is the biggest ever, over 30 at the present time.

The newest langauge club to form at ECR is the Greek Club. Members shown above are doing a folk dance.

## . . . Reverence in Learning

## 'New Horizons' in Auto

"When the points open, the magnetic field collapses and creates a momentary surge of 20,000 volts. This surge effects the starting of the engine . . . "

Such dialogue is typical in auto mechanics, a class where students learn the basics of automobile technology.

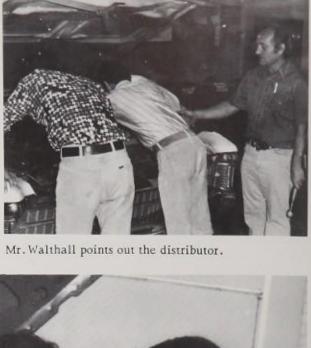

If ever it true that the boys in auto shop were referred to as "grease monkeys" or "toughs," it would certainly be a misnomer today. In 200+1, the traditionally "boy" curriculum has undergone a facelift. Quite a few girls have taken the auto shop course. It has become more apparent, also, that girls now work in service stations after school.

When asked why she took the class, one girl said, "So I don't get stuck, just standing in the middle of the road when my car breaks down." There are other good reasons for girls and boys to learn about cars. If one knows about a car, there is less chance that he will be ripped off, as one put it, when he brings the car in for repairs. The teacher, Mr. Earl Walthall, says that the girls learn just as fast and work as well as the boys. "Sometimes," he admits, "the girls are afraid of getting dirty."

Some students take the class purposely because they want mechanics as their lifetime work.

### Exchange Students

In a continuing effort to realize "New Horizons," ECR is fortunate to have six exchange students from Sweden, Denmark, Belgium, and Finland. These students return to their countries after a year, the year not counting toward graduation from their native schools. Everyday communication with these students affords us and them an educational experience.

## Arts Find Favor at ECR

Rob Stevens, Mike Kennedy, and Kelly Swain work with clay in ceramics.

Craig Sweet puts his hand to a vase on the potter's wheel.

Scott Epstein and Eric Swanson demonstrate their cooking skills.

Whether a fine art or a practical art, students take to classes in which they realize a tangible product. In ceramics, for example, they show pride in their vases or pots, even sell them.

As it is true that many girls have enrolled in auto shop, a traditionally "boy" subject, so it is that boys have infiltrated the traditionally female course, foods. "It'll help me when I'm in college, living on my own," claimed one student, as he inadvertently seasoned his recipe with a pinch of sugar when it called for salt.

Finally, becoming more popular since the upsurge of ''salable skill' concept, typing classes usually fill to capacity without difficulty. Typing skills are always in demand, for one's self or for an employer.

Kathy Graaf and Brenda Trevino compare notes during typing class.

Debbie Green works on a speed typing test.

The show is on! A recent innovation at ECR is the News Show, E.C.R. T.V. channels 3-6-8-10 every Tuesday at 9 a.m.

Before the show's ten-minute news wrap is ready, much time and effort goes into collecting the needed material, putting it together, and presenting it. It takes one week's work for a ten-minute telecast.

Students and teachers help by suggesting ideas or problems they would like to see televised; however, the News Team generally operates on the News Media principle.

The ECR News Show was made possible by a Federal Grant several years ago, and El Camino is fortunate to be the only school that has a News Show.

The ECR News Show is run by students alone. Mr. Heineman, the teacher in charge, says, "The success of the News Show was due to the fact that it was student-produced for the students at El Camino."

The studying of many different plant lifes.

Through the use of microscopes, students explore the world of microorganisms and can watch amoeba reproduce or observe movement of the chloraplasts in the cell membrane. They find that pigments present in a photosynthetic plant are separated by means of paper chromatography.

The biology lab is the most interesting aspect of the class, according to the students. Students do experiments to learn about different biological functions of plants, animals, and human beings. These discoveries and many others like them make up the realm of biological studies.

## ECR Offers Many Services to Aid

'New Horizons' is inclusive of the Career Resource Center, a unique service at ECR. The planning for college, effective life functioning, and job offerings are available for the asking. According to Mrs. Georgellen Hofine, career advisor, ''students are very sincere in seeking a positive place in their futures, and in a way, in the future of all of us.''

The Resource Center offers, among other services, 20 minicourses with six to ten speakers in each, and each a specialist in his field.

A student studies material to meet his needs.

Cheryl checks out a microfilm.

Mrs. Hofine talks about the many job oportuities.

Dr. Grace Welsh, college/scholarship advisor, aids ECR's college-bound students. She provides help with college entrance requirements, the planning necessary for college, and filling out applications to various institutions. She also writes recommendations for students.

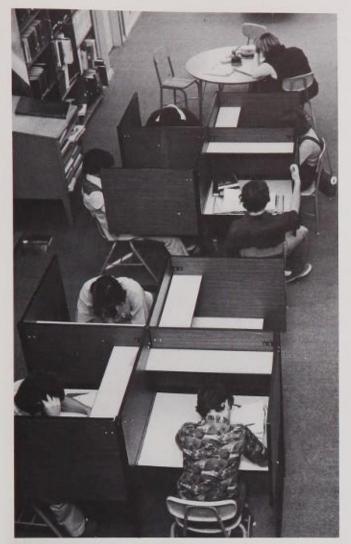

Dr. Welsh has been rendering this service since 1972. "I enjoy helping students on an individual basis," she commented.

Regularly, a college/scholarship bulletin comes out, a bulletin describing scholarships, testing dates, financial aids, and sundry other pertinent information.

Dr. Welsh points out college information to Vicki Freeman.

## Students in Their Academic Pursuits

The new look in libraries.

Prior to 1973 the library was an entity in itself. During the 1973-74 school year the teachers, students, and community got together and designed the Instructional Media Center (IMC). With help from the Federal government the Media Center concept became a reality. Additions to the library included conference rooms, a media production laboratory, a periodical room, ECR's own closed-circuit TV studio, resource centers, and an English reading laboratory.

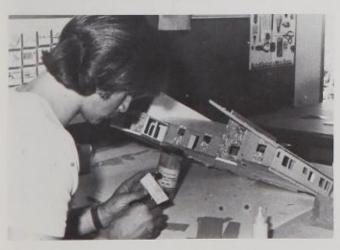

Today, a variety of educational activities take place in the library and although still referred to as the library, the IMC is vividly contrasted with the old idea of the library. One may find several students working together on a project in one of the conference rooms, or one may find an individual using one of the many machines, or one may even find an individual listening to some 'rock,' or one may find a student skipping back and forth between the card catalogue and the new Periodical room in order to compile a bibliography.

# Faculty

## . . . Professionalism in Direction

## ECR Welcomes Its New Principal

Dr. James C. Royer, El Camino's new principal, describes himself as conservative in his attitude toward student privileges.

Dr. Royer, replacing Mr. James Brown who retired last summer after 37 years in education, attended USC where he received his BA and MA's and BYU where he received his doctorate in Education and Administration.

Dr. Royer has nothing but warm praise about El Camino. He feels the facilities and faculty are the 'best in the District' and the students, 'the finest I've ever seen.'

Dr. James C. Royer, principal.

Dr. Royer is assisted by four-year veteran Dr. Wanda Elliott and new-comer Mr. Don Thomas. Dr. Elliott has previously worked at Hughes Jr. High with the Administration. Mr. Thomas, replacing Mr. Herman Koster, came to ECR last Spring from Mark Twain Jr. High in Venice. Mr. Thomas also worked with the Administration. Mr. Thomas remarked that out of all the schools he has been to, ''this is the best.''

Dr. Elliott, an administrator and teacher for the past 17 years, planned to take a sabbatical for the second semester.

Retired principal James Brown and new principal Dr. Royer lead cheers at the Homecoming game.

Mr. Donald E. Thomas, assistant.

William O'Rear and William Wachter.

Mr. William O'Rear holds the office of head counselor which has recently been renamed to Director of Personnel Services. Mr. O'Rear attended UCLA and CSUN where he received his BA in Music Education and MA in Guidance, respectively.

Mr. William Wachter, Director of Auxiliary Services at ECR, comes from Birmingham High School where he worked as a teacher, counselor, assistant boys' principal and Dean of Boys. Mr. Wachter attended USC where he received his BA in History and MA in Education.

The Faculty Association Council provides communication between the administration and faculty. The council's efforts are to improve education at ECR, to solve problems, to promote the welfare of its members, and to unite in fellowship.

## Faculty, Rich Professionally

"Professional in direction" best describes the 134 faculty members at ECR.

Students here are exposed to a wealth of educational training and experience with an estimated combined total of over 1,000 years experience. Out of these 134 faculty members four Doctorate degrees, 75 Master of Art degrees, and 91 Bachelor of Art degrees are represented.

Janet Saisho, Credit Clerk; Cressi Witt, Admissions Clerk; Lois Paintin, Clerk-Steno.; Anne Olafson, Clerk-Typist; Arlene Wefel, School Secretary.

It takes almost 50 people to handle the paper work and other supporting activities at a school the size of ECR. Without these people ECR either would be in a constant state of turmoil, or would be ineffectual.

These people are the clerks, secretaries, custodians, cafeteria staff, IMC directors, library staff, security guard and volunteers.

One example of work done by these people was the library's processing 20,000 books for use in ECR's Media Center.

Traffic in the counseling office is constant.

## Activities

## . . . Enthusiasm in Participation

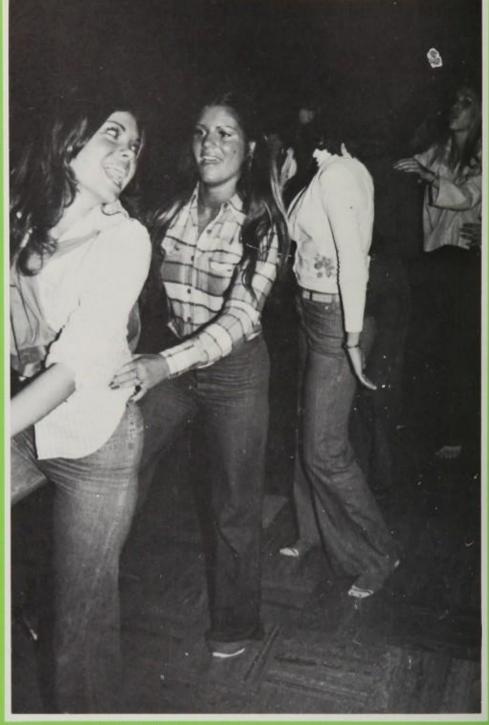

Perhaps the most popular activity on campus is the "dance," and this year, ECR dances have not been disappointing. The dances after Friday night's football game were well attended, as were some of the special occasion dances. The Vice-Versa dance continues to lead all dances as regards "demand." This year, tickets had to be raffled off!

The Phoenix, Pacific, Stage tour, and Renegade were some of the groups providing live music for the dances.

One way to get everyone to join in.

Come' on, everybody do the locomotion!

#### Sophomore Elections

With some 300 sophomores voting on this year's Sophomore Election - not exactly a good turnout for 1100+ class - the excitement of campaigning prevailed on campus in early October. The sophomores elected Blythe Nobleman to presidency.

Enthused sophomores publicize Blythe, Christi, and Marji during the political campaign.

## Candlelight Dinner Draws Hundreds

"Yesterday's Memories Brighten Today's" was the theme for this year's Senior Alumni Candlelight Dinner held on November 13 at the Castaways in Burbank. Even at \$20 a couple, the event was a sellout. Some maintain that this year's Senior-Alumni dance was the most successful since its inception.

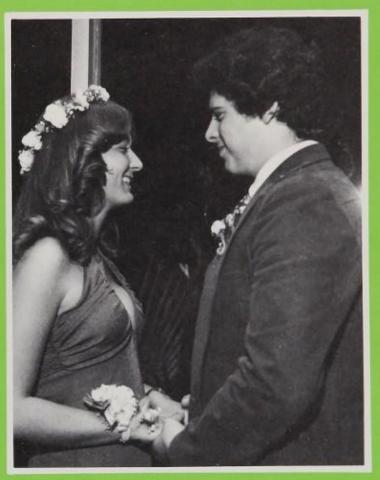

Shades of Brass, a popular local group played for the estimated 600 people who attended the dance.

Students and alumni dance to the sound of "Shades of Brass."

It was noted that this year's dance brought out the "best dressed" group that ever attended the Candlelight.

Vanessa Ernst and Mark Epstein exchange glances between dances.

On October 28 El Camino held its Back to School Night. Parents were able to hear how the teacher plans his curriculum. The parents were also able to view the various kinds of educational programs being conducted at ECR, a play put on by Play Production, a basketball demonstration, a Knowledge Bowl, and classroom demonstrations of various kinds.

This year's Fall Vocal Festival, held in the MPR, drew full-house crowds for all its performances. Choir, Happy Hoofers, Las Cantantes, and Camerata sang and danced to songs varying from Rogers and Hammerstein to Chicago. ''This was one of the finest shows we have ever performed,' says Mr. George Greb, director of the group. Audience reaction concurred with Mr. Greb's evalution.

## Homecoming Now History

### Olafson, 8th Queen

El Camino celebrated its eighth homecoming event on November 12, as Linda Olafson received the coveted title, Homecoming Queen. The Taft Toreadors, however, were not cooperative; the football team suffered a 29-7 loss at their expense, but the excitement of Homecoming prevailed, nevertheless.

Chris Larson was fourth runner-up in title contention. Roxanne Venteirella became third runner-up, and Kathy Gikos, second runner-up.

With two contenders remaining during the announcement, a hush fell over the stands. Then the final runner-up, the first, was named: Melanie Combs, leaving Linda the 1976 Queen.

Last year's Queen Lynne Simon performed the crowning ceremony.

Rounding off the Queen's court, Sandy Symans and Kathy Farha, sophomore and junior princesses.

## Juniors Take Float Competition

''Final Frontier,'' the theme for this year's home-coming depicted man in space, with the Junior Class copping first place in Float competition. Their creation, ''Silver Spaceman,'' was best, with the Senior Class's ''Snoopy in a Spaceship,'' taking second, and the Sophomores' ''Conquistadore on the Moon,'' taking third.

Lori Alexander led her junior Silver Spacemen to a triumph over some stiff competition.

Alumni cheerleader Sharon Wallis performed for the crowd.

## Juniors Win 6-2

Junior Terry Sabota catches the ball from the Senior team. The crowd is cheering. But wait, she's running for the wrong goal . . .

Various incidents such as the ''wrong-way'' run by Sabota kept the annual Senior-Junior Powder Puff football game held on November 11, on an exciting plane. The Juniors eventually won the game 6-2.

## "Dancing in the Moonlight"

"Dancing in the Moonlight" was the theme for this year's Winter Vice-Versa dance held on December 11 in the MPR

Girls' League, sponsers of the annual affair, chose as the Vice-Versa colors, dark blue, light blue and silver.

Tickets this year, as last year, were in such great demand that names were drawn to see which girls would get tickets.

"Shades of Brass" provided the music for the affair.

## Reviewing Activity Periods

ECR's Activity Period in its second year, corroborates the objective of New Horizons. With such activities as speakers, like ex-Ram football player Les Josphenson and Roger Owens the peanut thrower, in most of the major football stadiums. Also there are speakers on career outlooks. Other activities include pie-eating contest, pep rallies, gymnastic and dance performances. These activity periods also give students time to meet in conference with teachers and discuss problems. These activities brought to the students an enriched educational experience.

Whether an auction to sell wares by the Radio Club or a Dance Collage by the Modern Dance class or a semi-formal dance or a pep rally, ECR goes all out.

The varied events over the school year - more than can be included in a few pages of a yearbook - are all part of the scheme to realize wholesome activity toward "New Horizons."

## The Long and Winding Road

The long and winding road that leads to your door
Will never disappear, I've seen that road before,
It always leads me here,
Lead me to your door.

The wild and windy night that the rain washed away Has left a pool of tears crying for the day, Why leave me standing here, Let me know the way.

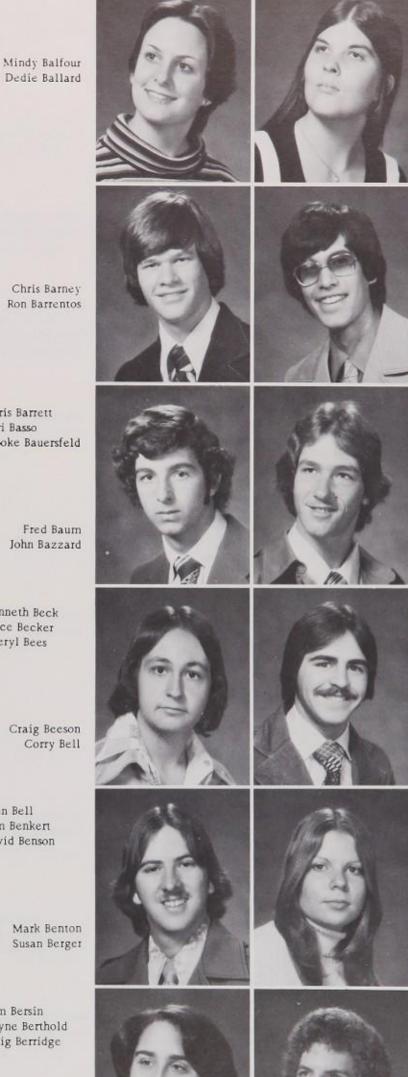

Many times I've been alone and many times I've cried
Anyway you'll never know the many ways I've tried
But still they lead me back to the long winding road,
You left me standing here, a long long time ago,
Don't leave me waiting here,
Lead me to your door.

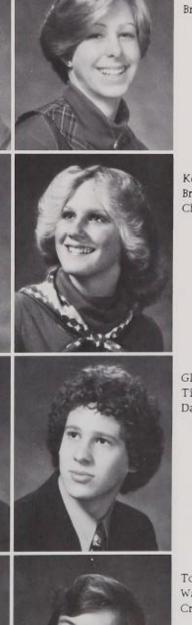

But still they lead me back to the long winding road, You left me standing here, A long time ago, Don't keep me waiting here, Lead me to your door.

#### Spring Changes

Several changes in faculty and student body affairs have occurred at the beginning of the second semester.

ECR welcomed its new vice-principal, Ms. Ceola Wiley, who replaced Dr. Wanda Elliott. As reported earlier, Dr. Elliot anticipated a study leave.

Harry Gould assumed presidency of a new student cabinet. The King's Courier, as well as El Corazon, made some changes in staff responsibilities.

The new cheerleaders made their debut, and the Concert Band organized.

One volunteer program at ECR, the Teacher's Aide Program (TAP), had been overlooked in a previous section, inadvertently of course, and acknowledgment of TAP is included here.

## Varsity Fizzes Out After a Strong

Dave Johnson, ECR's punt-return man, picks up yardage in Taft game.

After defeating city-ranked Granada Hills, 13-0, and San Fernando, 35-33 in openers, the Varsity Conquistadores expected to be city contenders. But, losses to both Newbury Park and Banning dimmed the expectation.

Alternating at the controls, Tim Sherill and Jeff Caprio proved to be capable field generals, (both receiving All-West Valley League awards) favoring the Conquistadores' passing attack. In the receiving department, Robert Steiner, Kirt Luethy, Greg Austin and Mark Balderas kept ECR in must games.

Leading groundgainer (FB), Jeff Walker was tops in scoring with 32 pts. (RB) Dave Johnson proved to be effective on special teams.

Led by blockers Geoff Horn and Joe Siracusa, Tim Sherrill takes off on an end

Jeff Caprio, junior Quarterback, dodges Mike Ketaily of Canoga Park to lead ECR to a 39-20 victory over the Hunters.

## Start Against Ranked Teams

Losses to power houses, Cleveland, Chatsworth and Taft, left El Camino in near cellar position. Placing a mere 4th in league, the Conquistadores advanced to 4A city playoffs, meeting the Monroe Vikings and were virtually kicked out of the playoffs with a field goal with 6 seconds remaining, killing ECR's hopes.

This year's Bee team, coached by Dave Adair and Vince Tussiarone, complied a 5-3-1 record, a 3rd-place finish in the West Valley League. The team had many talented 10th graders and experienced returnies. Outstanding players included QB Rod Gettle, TB John Villanueva and E, Mike Mauler.

First team, all-West Valley League accolades went to Rod Gettle (QB), Marc Hersh (LB), Mike Mauer (E), and Craig Bunting (E), with John Villanueva (TB), Eric Horn (L), Scott Raitte (HB), Dave Clark (X), and Jim Shuster, named 2nd team All West Valley League, respectively.

Cross country had not performed as well this season as it had in past seasons. But, despite the 5th Place finish, "the experience was invaluable," according to Coach George Martin.

Individual standouts include Julie Kaufman and Wendy Thomas, the first girls to participate in cross country. Varsity runner George Broderick finished one of the best in the West valley.

Mike Geller, 10th Grader, earned title of ''most outstanding'' in that division.

Although ECR finished in near cellar position there are many individual standouts, including Jim Zimbardo who was voted most valuable player by his teammates and Stuart and Steve Jensen who joined Zimbardo on the All-West Valley League.

## Varsity Defends Title, WVL Champions

Defending its crown from the 1975 season, Girls' Varsity basketball, led by allleague selections senior Jamie Zlotsky and junior Athena Burla and a host of talented seniors, compiled a 7-3 league slate to tie Birmingham for the West Valley League title.

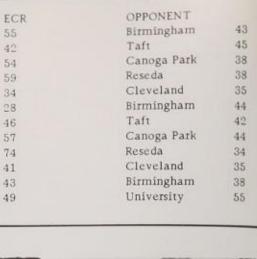

In the sudden death tiebreaker, El Camino up-ended the Birmingham Braves 43-38 to continue its march to city playoffs, where a quick and sharp shooting University squad defeated ECR 49-55 despite a miraculous rally which fell short. At one point ECR was losing by as much as 19 points, crushing the hopes of City Finals.

The Conquistadores had an extremely balanced team from the starting 5. Jamie Zlotsky, Betsy Felsman and Cindy Miller were consistently strong on the boards with Kim Brinson and Athena operating the offense. Reserves Paula Burdsall and Kelly Stanton saw sufficient action, as well as Cheryl Kennedy, Karen Zimmerman, and Kathy Maloney adding depth.

Deanna Hulsey, Vicki Bodack, Julie Burdsall and Georgette Weihrauch rounded off the ECR attack, an attack "vastly improved as the season progressed," according to Coach Kimura.

# Varsity Turns in Best Performance

Varsity defended its league championship, compiling an 8-2 record in the process. All the starters this year were seniors: captain Joni Polito, co-captain Betsy Felsman, Jamie Zlotky, Cindy Miller, Laurie Hagerman, and Colleen Kane. Juniors Lori Morris and April Kane, however, substituted regularly, giving some nucleus for next year.

In city playoffs, ECR placed second in a 6-team pool. At quarter finals, the

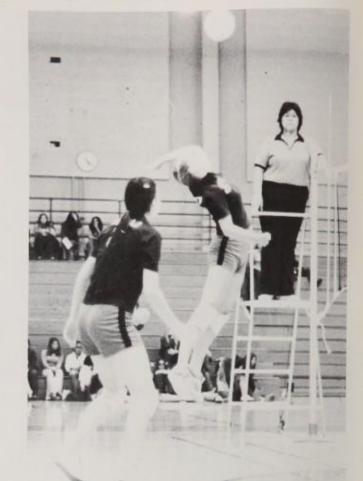

girls defeated Narbonne, but then lost in the semi-finals to Palisades, the eventual city champs. A playoff game for third and fourth places resulted in an ECR loss.

Fourth place in city is the best in ECR's history, and according to Coach Donna Kimura, "They are quick and have very good game-sense for volleyball." She also added, "The varsity team was outstanding in skill, competitive attitude, and in team play which contributed to their success, and I will miss them dearly."

Betsy Felsman earned an All-City berth. Felsman and Cindy Miller made 1st team All-West Valley, while Joni Polito and Jamie Zlotky made 2nd team.

### JV's Go Far, But Lose in a Squeaker

This year's JVs ended up in a second place with an 8-2 record, a significant showing over last year's performance. Starters for ECR included co-captains Paula Burdsall and Cheryl Kennedy, Vicki Bodack, Amy Nelligan, Lori Levey, and Peggy Demyon. Jeanne Bacarella, who suffered a broken nose toward the end of the season, was unable to finish the season.

The spikers tied Taft for first place, but then lost to the Toreadors in the tiebreaker.

In city playoffs ECR tied with Narbonne with an overall 5-1 record, but ECR lost on the total points system, the girls falling short by five points.

Losing only two seniors this season, Paula Burdsall and Pam Findl, the JVs will be a formidable opponent next season. "The JVs have been developing their potential fully," said Coach Donna Kimura, "and will be a strong contributing force to good volleyball for next season."

which culminates with maturity and purposeful conduct in academics (1) and performance (2) Thus, ECR closes its 1976-77 school year (3) and leaves not a barren Mars, but, temporarily, an empty edifice and an artifact (4) which await the coming of a new dawn.
